ended his sojourn in England and re-turned to France on Saturday night. Throughout yesterday, the Daily The Times, concurring editorially with Serbians attacked the Bulgarian posttions before Kuprili (Veles) without reously menaced by the excessive prices demanded that four-fifths of the market probably has been lost. The goose laying the golden egg has been seriously wounded, if not killed, by the abuses in

of giving rapid aid to the Serbian army o supply all the requirements of Great of giving rapid aid to the Serbian army Sritain but furnish more than half of will be kept constantly in the forefront,

The reorganization hopes are entertained of its efficiency. Some initiary observed it probable that the Bulgari

Was Included by Allies. Berlin, by wireless to Sayville, N. Y., Oct. 31.—Among the items given out to-day for publication by the Overseas News Agency were the following:

"According to an Athens despatch to the Frankfurter Zeituag Great Britain offered Greece for her participation in the war on the side of the Allies not only Cyprus, but also the Dodecanesos Islands and South Albania. Great Britain further promised in case Greece entered the war the evacuation of the Zeran islands actually occupied by the British after the conclusion of peace and the payment of sufficient damages for their temporary occupation.

The French line to the Vardar River.

The French artillery so far has proved superior to that of the Bulgarians and is causing great have among the attackers.

The German invaders in Scrola have reached Milanovac, less than eight miles northeast of Cavak, the new Serbian capital, and connected with they rail.

An Austrian official statement telegraphed here to-night from Vienne restricted to the French Ring to the Cavak, the new Serbian capital, and connected with the property occupation. BERLIN, by Wireless to Sayville, N. Y., On the southern front the French con
